Accommodation Options

Our students usually stay in Bed and Breakfast accommodation within a 2 to 7 minute walk from the Deutsch-Institut Tirol.

Pension Oberhauser

A lot of our students who return to do another course at DIT specially request that they stay at the Pension Oberhauser. This is really a private house with 3 rooms each with a shower, WC in the corridor; it also has an apartment. There is a TV and a fridge in the breakfast room (and in the apartment) for the use of guests. Frau Oberhauser is always very friendly and welcoming to her guests. She doesn't speak much English so you have to practise your German even at breakfast! This B&B is the nearest to the school, about a 2 minute walk to the Deutsch-Institut. There is no internet connection in this house. The Cafe Business where students often go for lunch or dinner, is a 5 minute walk away.

If you'd like to stay here, please include this on your registration form.

Pension Entstrasser

Another favourite place for our students is the Pension Entstrasser, slightly further down the road, 4-5 minutes from the school. This is a much bigger house with 40 beds, a swimming pool and sauna. Every room has an en suite bathroom, a balcony, TV, radio, phone and wireless access to the internet. www.pension-entstrasser.at The Cafe Business where students often go for lunch or dinner, is a stone's throw from the Entstrasser.

If you'd like to stay here, please include this on your registration form.

Pension Astlinger

This beautiful, newly renovated B&B is about 5-7 minutes' walk from the school. Every room has a wonderful large bathroom. There's no internet connection for guests in the house. The Cafe Business where students often go for lunch or dinner, is a stone's throw from the Astlinger.

Other accommodation options: There are plenty of hotels and B&Bs in Kitzbühel. If you'd rather stay somewhere else, please see the tourist board's website at www.kitzbuehel.at and make contact directly with the accommodation providers.

Important information

- We offer very small classes (between 2 and a maximum of 6 students per class). This may (rarely) result in there being no one of your standard at the school. In this case, we do not cancel your course. We would instead offer you one to one lessons at the group rate, at 2 lessons per day instead of the usual 4. You can then observe another class for the remaining 2 lessons of your morning.
- Refunds: We cannot refund any course fees unless you cancel at least 4 weeks before your course begins less a one off cancellation fee of €100. If you cancel after your course has begun, we would issue you with a credit note for the unused part of your course. We would do our best to refund any money paid for accommodation less any cancellation fees charged by the accommodation providers and less any bank charges for the transfer.
- Invoices are payable at least 2 weeks before the start of your course.
